The USJA requires a Rank Requirement Exception Request Form to be completed anytime an individual seeks an exception to current rank requirements, including time-in-grade.

I, the requestor, understand and agree that:

1. This form carries a non-refundable fee of \$40.
2. This form must include the same signatures as the promotion request, along with a written explanation detailing why an exception should be granted.
3. All exception requests are subject to review and approval by the Promotion Board, which requires a two-thirds (2/3) vote to pass.
4. By signing below, I acknowledge that I have read and understood the above policy, and I agree to abide by these conditions when requesting a rank requirement exception.
